The list of reviewers who voluntarily dedicated part of their time to review submissions for Revista Ambiente & Água's Volume 14, 2019 is presented in Table 1. This list includes manuscripts that were accepted and published in one of the six annual issues and also manuscripts submitted and rejected up to November 30, 2019. It may therefore include the names of reviewers that completed their evaluations between September, 2018 and November, 2019.

We are deeply indebted to all of them that voluntarily and anonymously devoted part of their time to support our journal and delivered an immense contribution to the quality of the published papers. We gratefully acknowledge their professional work and outstanding product.

Table 1. Ad Hoc Peer Reviewers that evaluated submissions for the 2019 edition of Revista Ambiente & Água, Volume 14, n. 1, 2, 3, 4, 5, and 6.
